ITALY

Location: Lucca

Guide price: £724,400

Agent: Casa & Country (020 7993 2967; casaandcountry.com)

This 18th-century three-bedroom, three-bathroom house in Tuscany is a one-off – let's face it, very few homes are situated on their own private bridge. The house has been fully restored throughout, boasting original antique terracotta floorings and beamed ceilings. Inside, there is more than 3,000 sq ft of space, while outside there are almost two acres of land with a stream.
