

◀ **Villa Palagio, Florence,
Tuscany, Italy, €15m**

Where In Tuscany, central Italy, about a 10-minute drive or 25-minute walk from central Florence. The city's international airport is a 20-minute drive away.

What A restored 900 sq metre villa, dating from the Middle Ages, with five bedrooms and five bathrooms. Its historical features, which include period beamed ceilings and rare intarsia inlay doors, have been

carefully restored. The one-hectare garden features a limonaia and a garden house. The property also has an underground garage with space for four cars.

Why Flanked by olive trees and vineyards, Villa Palagio sits in an elevated position overlooking central Florence. Landmarks visible from the villa include the city's cathedral (Duomo di Firenze), and its town hall (Palazzo Vecchio), while the Apennine mountains can be seen in the distance.
